Estimated Total Population in Crisis	1,800,000	24 ⁷

¹ Source: Population Estimates by Region/District, UNDP Somalia, August 1, 2005. Note this only includes population figures in affected regions. FSAU does not round these population estimates as they are the official estimates provided by UNDP.

² Estimated numbers are rounded to the nearest five thousand, based on resident population not considering current or anticipated migration, and are inclusive of population in High Risk of AFLC or HE for purposes of planning.

³ Dan Gorayo District is included within Bari Region following precedent set in population data prior to UNDP/WHO 2005.

⁴ Roughly estimated as 30% and 20% of urban population in HE and AFLC areas respectively.

⁵ Actual number is 1,345,000, however, this is rounded to 1,400,000 for purposes of rough planning and ease of communication.

⁶ Source: UN-OCHA updated April 2004 (376,630) and UNHCR IDP map Dec.2005 (407,000), rounded to 400,000 as an estimate.
